a contemporary art expert demystifies the process of finding appreciating and collecting contemporary art on any budget contemporary art is often misunderstood as intentionally controversial obnoxiously self indulgent or painfully obscure in this book contemporary art expert and gallery owner paige west guides readers toward the understanding that contemporary art can be just as original tasteful and breathtaking as traditional paintings west draws from her experience as a professional art dealer to break all these misconceptions and allow readers to begin developing and enjoying a private collection beautiful full colour illustrations and smart layout accompany the humor with which this book explores the current art scene dealing with everything from the outrage surrounding chris ofili s sensation to salvador dali s rampage through a department store this book will

appeal to the artistically minded individual as well as the potential art buyer beginning with what constitutes original art the book moves on to discuss how to start collecting where to find modern art and what are reasonable prices with gorgeous photographs of representative pieces used as examples the book is as much a fashionable tool for home decorating as it is an open door into the world of contemporary art this book educates readers to take those gilded frame poster size wedding photos off their living room walls or those college poster art sale finds and put up interesting pieces from limited editions by current artists without breaking the bank

collecting has a long tradition in the middle east but the museum as a public institution is relatively new today there are national museums for antiquities in most arab countries while in some cases the political and social climate has hindered the foundation of museums with existing collections even destroyed at times the recent museum boom in the gulf states is again changing the outlook this unique book is the first to explore collecting practices in archives and museums in the modern arab world featuring case studies of collecting practices in countries ranging from egypt and lebanon to palestine jordan iraq and the gulf and providing a theoretical and methodological basis for future research the authors are also concerned with investigating the relationship between past and present since collecting practices tell us a great deal not only about the past but also about the ways we approach the past and present conceptions of our identities collections can be textual as well as in the stories memories or events selected recalled and retold in the pages of a text as interest in memory studies as well as popular and visual culture grows in the arab world so collecting practices are at the heart of any critical approach to the past and the present in that region the book will be of great interest not only to scholars and students of the modern arab world but also to professionals in museums and collections in the region as well as around the world
